PART III - ADMINISTRATION

1.0 SCOPE

WHEN EFFECTIVE

- 1.1 This By-law shall be in full force and effect when it is given third reading by the Council of the Rural Municipality of Ste. Anne.

THE AREA

- 1.2 The Area to which Zoning By-law shall apply shall be all of the Rural Municipality of Ste. Anne.

RESPONSIBLE AUTHORITY

- 1.3 a. The authority responsible for the enactment of this By-law shall be the Council, in accordance with the provisions of *The Act*; and
- b. Subject to the provisions of *The Act*, the regulations, restrictions and boundaries set forth in this By-law may from time to time be amended, supplemented, changed or repealed.

RESPONSIBILITIES OF COUNCIL

- 1.4 Subject to the provisions of *The Act*, the Council is responsible for:
- a. Considering the adoption or rejection of proposed amendments or the repeal of this By-law;
 - b. Administering and enforcing the provisions of this by-law and the provisions of *The Planning Act*, where applicable;
 - c. considering the adoption of amendments to or the repeal of this by-law;
 - d. consider and issue variation orders;
 - e. Approving or rejecting conditional use applications, and may revoke the authorized conditional use for any violation of any additional conditions imposed by it; and
 - f. establishing a schedule of fees.

2.0 AMENDMENTS

PROCEDURE

- 2.1 Subject to the procedure required under *The Act*, an amendment may be initiated by a resolution of intention by the Council, or by application of one or more owners of the property or their agents within the area proposed to be changed. Application fees will be determined by Council via a special by-law.

DECISION BY COUNCIL

- 2.2 If Council approves the application, it shall proceed with the adoption of the amendment in accordance with the provisions of *The Act*.

APPEAL

- 2.3 Anyone objecting to an amendment which subsequently has been given second reading by **Council** may file a further objection with the **Municipal Board**, and the **Municipal Board** shall hold a hearing according to the provisions of **The Act**.

3.0 CONDITIONAL USE

INTENT

- 3.1 The development and execution of this By-law is based upon the division of the area into zones, within which the use of land and buildings and structures in relation to the land are substantially compatible. It is recognized, however that there are certain uses deemed conditional uses which, because of their unique characteristics cannot properly be classified in any particular zone without consideration, in each case, of the impact of those uses upon neighboring land and of the public need for the particular use at the particular location. Such uses fall into two categories:
- a. Uses publicly operated or traditionally associated with the public interest;
 - b. Uses entirely private in character but of such an unusual nature that their operation may give rise to unique problems with respect to their impact upon neighboring property or public facilities; and
 - c. Applications for uses that occur within the control area of a Provincial Highway will be referred to the Highway Traffic Board and Manitoba Infrastructure and Transportation to establish additional requirements.

APPLICATION

- 3.2 An application for conditional use shall be processed and approved or rejected in accordance with the provisions of *The Act*.

FILING AN APPLICATION

- 3.3 The application shall be filed with the Council and shall be accompanied by a site plan and other data as the Council may prescribe and such fees as determined by Council.

EXPIRY OF APPROVAL

- 3.4 The approval of Council in accordance with the provisions of *The Act* shall expire and cease to have any effect if it is not acted upon within twelve (12) months of the date of the decision, unless it is renewed at the discretion of Council for an additional period of twelve (12) months.

EXISTING CONDITIONAL USE

- 3.5 Where a use is classified as a conditional use under this By-law or amendments thereto, and exists as a permitted use at the date of the adoption of this By-law or amendments thereto, it shall be considered as a legally existing conditional use.

CHANGES TO AN EXISTING CONDITIONAL USE

- 3.6 Any change in a conditional use shall be subject to the provisions of this Section and the appropriate provisions of *The Act*. A conditional use application is required when an existing conditional use is enlarged, expanded or extended to occupy a greater floor and/or greater area of the site upon which said use is located, except as otherwise permitted by this By-law. In the case of livestock operations, a change in the type of livestock raised (i.e. chickens replacing pigs) shall constitute a change of use and require a new conditional use hearing approving the change.
- 3.7 Council may revoke an approved conditional use permit for violation of any conditions imposed by it.

4.0 VARIATIONS

THE RIGHT TO APPLY

- 4.1 Any person may apply for a variation order, in accordance with the provisions of *The Act*.
- 4.2 An application for a variation order shall include all required information and fees, as determined by Council.
- 4.3 An application for a variation order shall be processed and approved or rejected in accordance with the provision of *The Act*.
- 4.4 The designated employee or officer may, in accordance with the provisions of *The Act*, grant or refuse, at his or her discretion, a minor variation not to exceed ten (10) percent of the requirements of this by-law governing height, distance, area, size or intensity of use.

5.0 DEVELOPMENT AGREEMENT

AGREEMENT WITH RURAL MUNICIPALITY OF STE. ANNE

- 5.1 Where an application is made for the amendment of this By-law, a variation or as otherwise permitted in *The Act*, the Council may require the owner or the person entitled to be registered as owner of the land, building or structure to which the amendment / variation shall apply, as a condition to its enactment, to enter into a development agreement with the Rural Municipality of Ste. Anne in respect of that land as well as contiguous land owned or leased by the applicant.

AGREEMENT TO COMPLY WITH ACT

- 5.2 The provisions of said agreement shall be in accordance with *The Act*.

QUARRY OPERATIONS

- 5.3 Establishment of new or the expansion of existing quarry operations, where listed as a conditional use, are subject to a development agreement with Council.

6.0 DESIGNATED EMPLOYEE OR OFFICER

DUTIES

- 6.1 The designated employee or officer as appointed by the Rural Municipality of Ste. Anne may:

- a. Issue development permits in accordance with the provisions of this By-law and any other relevant by-law.

POWERS

6.2 The designated employee or officer may:

- a. Issue a development permit where the development of land, buildings or structures conforms to the adopted Development Plan, and the requirements of this By-law and amendments thereto, subject to the provisions of **Section 7.1, of this PART**;
- b. Enter any buildings or premises at all reasonable hours in the performance of his duties with respect to this By-law;
- c. Issue development permits for the temporary use of buildings, structures or land pursuant to the provisions of this By-law; and
- d. Issue zoning memoranda or such other documents necessary for the administration and enforcement of this By-law.

DEFER APPROVAL OF PERMITS

6.3 At the request of Council, the designated employee or officer shall:

- a. Defer approving an application for a development permit:
 - i. As provided for in *The Act*;
 - ii. Which could result in a violation of this By-law or any By-law of the Rural Municipality of Ste. Anne; or
 - iii. To any person who has failed to pay any fees due and owing to the Rural Municipality of Ste. Anne.

7.0 DEVELOPMENT PERMIT/ BUILDING PERMIT

PERMIT REQUIRED

7.1 The owner or his agent shall obtain all necessary permits as required by the Council and other government agencies

WHEN REQUIRED

7.2 An application for a development permit / building permit is required for the following:

- a. The erection or construction or placement of any building, or structure, except fences, sheds / garages less than two hundred (**200**) sq. ft. in area and ornamental light standards;
- b. The addition, extension, structural alteration or conversion of any building or structure;
- c. The relocation or removal or demolition of any building or structure; excepting any non-taxable farm building; or
- d. The use of vacant buildings or structures.

REQUIREMENTS

- 7.3 In addition to the requirements of any By-law of the Rural Municipality of Ste. Anne or any other provincial regulations, all applications for a development permit shall:
- a. Be accompanied by a plan, drawn to scale, showing the actual dimensions and shape of the site to be built upon, the exact size and location on the site of buildings already existing, if any, and the location and dimensions of the proposed building, enlargement or structural alterations;
 - b. Include such other information as may be required by the Council, including existing or proposed building or structural alterations; existing or proposed use of the building and land; the number and location of automobile parking spaces and loading spaces; the number of families, dwelling units or rental units the building is designed to accommodate; conditions existing on the site; current copies of relevant titles, easements, caveats; a surveyor's certificate prepared by a Manitoba Land Surveyor and such other matters as may be necessary to determine conformance with and provide for the enforcement of this By-law; and
 - c. No person shall erect, locate, repair, use, or occupy any building, land or structure contrary to any development permit or the material furnished in support of the application.

SUSPENSION OR REVOCATION OF THE DEVELOPMENT PERMIT

- 7.4 The Development Officer may suspend or revoke a development permit where:
- a. The applicant fails to comply with the conditions of issuance of a permit; or
 - b. Any person undertakes or causes or permits any development on a site contrary to the terms or conditions of a permit.
- 7.5 Any person who undertakes, or causes or permits, any development on a site without a permit, or after a permit has been suspended or revoked, shall discontinue such development forthwith upon notice in writing issued by the Development Officer so requiring, and shall not resume such development unless a permit has been issued or the permit reinstated.

8.0 BUILDING PERMITS

PERMITS ISSUED PRIOR TO BY-LAW

- 8.1 Unless otherwise provided for herein, building permits issued prior to the effective date of this By-law shall be considered valid for the purpose of this By-law provided all the conditions under which the permit was issued are complied with.

BUILDING TO BE MOVED

- 8.2 No building or structure shall be moved in whole or in part to any other location unless every portion of the building or structure is made to conform to all the regulations of this By-law applying to the zone in which it is located.

9.0 NON-CONFORMITY

DEFINITION

9.1 "Non-Conformity" means one, or a combination of one or more, of the following:

- a. A site or parcel of land;
- b. A building or structure;
- c. A use of a building or structure; or
- d. A use of land.

NON-CONFORMITIES

9.2 Non-conformities are hereby classified as:

- a. Any lawful use of building, structure or a parcel of land, or portion thereof, which does not conform to one or more of the applicable use regulations of the zone in which it is located, either on the effective date of this By-law or amendments thereto;
- b. A non-conforming building or structure means any lawful building or structure which does not comply with one or more of the applicable zone regulations on the effective date of this By-law or amendments thereto; and
- c. A non-conforming site or parcel of land means any lawful site or parcel of land which does not comply with the bulk requirement of the affected zone on the effective date of this By-law, or amendments thereto, and was on record in the Land Titles Office and in separate ownership prior to the effective date of this By-law, or amendments thereto, and did not form part of a larger contiguous holding in the same ownership.

GENERAL PROVISIONS

9.3 A non-conforming use and a non-conforming building or structure use and a non-conforming building or structure shall be regulated in accordance with and subject to the provisions of *The Act*, unless otherwise provided for herein.

STRUCTURAL ALTERATIONS

9.4 Pursuant to provisions of *The Act*, a structural alteration shall not be made to a non-conforming building or structure or a building or structure containing a non-conforming use, unless said alteration conforms to the requirement of this By-law, does not increase the degree of non-conformity, unless an appropriate variation order has been obtained.

REPAIR OR REBUILDING

9.5 Pursuant to *The Act*, where Council determines that a building or structure is damaged or destroyed more than fifty percent (**50%**) of its replacement value above its foundation, the said building or structure must not be repaired or rebuilt, but only in conformity with the zoning by-law and any variance approved under this **PART**.

NON-CONFORMING PARCEL

9.6 No building or structure may be erected on a non-conforming parcel of land unless:

- a. The required yards are provided as set forth in the Bulk Requirement Table of the zone in which the parcel of land is located; or
- b. Where a variation order for such yard requirements is granted.

A variation order shall not be required where a site or parcel is being increased in size or area so as to decrease its non-conformity, even though the enlarged site or parcel does not conform to the site area and site width requirements of this By-law. The enlargement of said site or parcel shall not cause an increase in non-conformity of an abutting or adjoining site or parcel.

CERTIFICATE AND FEES

9.8 Any fees charged by the Development Officer for the issuance of a certificate in accordance with *The Act* shall be determined by Council.

10.0 APPLICATION

INTERPRETATION AND APPLICATION

10.1 In their interpretation and application, the provisions of this By-law shall be held to be the minimum requirements to satisfy the intent and purpose as set forth herein.

RELATION TO OTHER BY-LAWS

10.2 Whenever provisions of any By-law of the Rural Municipality of Ste. Anne or any other requirement of the Provincial or Federal Government impose overlapping regulations over the use of land or buildings or bulk requirements or contain any restrictions covering any of the same subject matter contained herein, the most restrictive or highest requirement shall govern.

PREVIOUS VIOLATIONS

10.3 Unless otherwise provided for herein an existing building, structure or use which was illegal under the provisions of any planning scheme or zoning by-law in force on the effective date of this By-law and amendments thereto shall not become or be made legal solely by reason of the adoption of this By-law; and to the extent that, and in any manner that, said illegal building, structure or use is in conflict with the requirements of this By-law, said building, structure or use remains illegal hereunder.

SITE REDUCED

10.4 A site area or site width or required yard reduced below the minimum requirements of this By-law by virtue of a public works, street or public utility shall be deemed to conform to the requirements of this By-law.

VARIATION ORDER OR SPECIAL EXCEPTION PRIOR TO BY-LAW

10.5 A building or structure or use established by a variation order prior to the coming into force of this By-law shall, subject to the provisions of the variation order, be deemed to conform to the provisions of this By-law.

"A", "RM", "GD", "HC", "GC", "CR", "RR", "RR5", "RMH", "AL", "RIC" or "NE" ZONES

- 10.6 Whenever the terms "A" Zone, "RM" Zone, "GD" Zone, "HC" Zone, "GC" Zone, "CR" Zone, "RR" Zone, "RR5" Zone, "RMH" Zone, "AL" Zone, "RIC" Zone or "NE" Zone are used, they shall be deemed to refer to all Zones containing the same letter in their names.

11.0 PUBLIC UTILITIES AND SERVICES

- 11.1 Nothing in this By-law shall be so interpreted as to interfere with the construction, maintenance and operation of a public service such as police or fire protection. Public utilities, as defined by this By-law, shall be listed as a Permitted Use in all Zones. Yard, area and height requirements for proposed public utilities shall be determined by Council and should be of a standard compatible to the zone in which the public utility is proposed.

12.0 PUBLIC MONUMENTS AND STATUARY

- 12.1 Nothing in this By-law shall be so interpreted as to interfere with the maintenance or erection of monuments, statuary, and similar structures.

13.0 ROAD ALLOWANCES

FUTURE ROAD ALLOWANCE

- 13.1 No buildings or structures shall be erected upon any land designated for a future road allowance by Council. Any development adjacent to said future road allowance should comply with the requirements of the by-law as if the said future road allowance was already in existence.

DEVELOPMENT PERMIT FEES

- 13.2 Cost to be borne by applicants will be determined by council as a condition to development. This fee can be waived by council if deemed necessary.

14.0 MUNICIPAL SERVICES

CONNECTING TO MUNICIPAL SERVICES

- 14.1 All principal buildings constructed on a site served by public or private sewer, water or hydro distribution shall be connected to such services, if available, and within any time limit specified in appropriate municipal by-laws and any amendments thereto.

15.0 DUTIES OF THE OWNER

RESPONSIBILITY

- 15.1 Neither the granting of a development permit, nor the approval of the drawing and specifications, nor inspection shall in any way relieve the owner of the responsibility of complying with the requirements of this By-law or of any relevant By-laws of the Rural Municipality of Ste. Anne.

PERMITS REQUIRED

15.2 Every owner shall:

- a. Permit the Development Officer to enter any building or premises at any reasonable time for the purpose of administering or enforcing this By-law and shall not molest, obstruct or interfere with the Development Officer in the discharge of his duties under this By-law;
- b. After the development application has been approved by the Development Officer, not doing any work at variance with the approved documents filed; and
- c. Be responsible for obtaining, where applicable from the appropriate authorities, permits or licenses relating to the buildings, grades, sewers or water supply systems, plumbing, signs, blasting, street, occupancy, electrical, highways, and all other permits required in connection with the proposed work.

NO DEVELOPMENT PERMITS REQUIRED

15.3 No development permit from the Rural Municipality of Ste. Anne is required under this By-law for the developments listed below, provided that such developments comply with the Permitted Use and regulations of this By-law. This does not relieve the applicant or landowner from obtaining approvals from other government agencies. For a development listed below, the Development Officer shall advise the applicant that no permit is required and return the submission, including any fees paid. Developments exempted from applications are as follows:

- a. Regular maintenance and repair of any development provided it does not include structural alterations.
- b. Private driveways and patios which are accessory to a development, that do not include any work on public road allowance such as curb cuts, culvert extensions and hard topping of driveway on road allowance.
- c. A fence, wall, or gate not exceeding six and fifty-six one-hundredths (**6.56**) ft. in height.
- d. An accessory building that:
 - i. Is less than 15.58 sq. m. (**200 sq. ft.**) in area;
 - ii. Does not exceed 8 m (**26.25** ft.) or one storey in height; and
 - iii. Is not considered a hazard by the Development Officer.
- e. An unenclosed deck or a deck enclosed by a rail or parapet wall and a wheelchair ramp.
- f. Landscaping where the existing grade and natural surface drainage pattern is not materially altered.
- g. The erection or placement of a temporary building, the sole purpose of which is incidental to the erection of a building for which a development permit has been granted, provided the temporary building is removed within thirty (**30**) days of substantial completion or as determined by the Development Officer.

- h. The use of vacant farmland, farm buildings and structures for permitted agricultural activities, excluding livestock operations.

16.0 ENFORCEMENT

- 16.1 The enforcement of this By-law, or any resolution or Order enacted by the Council under *The Act* or any regulation made there under shall be in accordance with *The Act*.

17.0 OFFENCES AND PENALTIES

- 17.1 Any owner who, by himself, or by his servant, agent or employee, makes use of any land, building, structure or part thereof in a manner contrary to this By-law, or contrary to the conditions of an order varying the terms of this By-law, or contrary to the conditions of an order permitting a conditional use under the provisions of this By-law, shall be guilty of a breach of this By-law;
- 17.2 Any persons who, as owner, landlord, lessor, tenant, occupier, agent, or otherwise, has charge or control of any land, building, structure, or part thereof, and permits such land, building structure or part thereof to be used in any manner contrary to this By-law, shall be guilty of a breach of the By-law.
- 17.3 Fines and penalties will be imposed as per the *Act*.

18.0 FEES

- 18.1 Council shall, by By-law, establish a fee schedule for variation orders, zoning amendments, zoning memoranda, conditional use orders, non-conforming certificates and other appropriate documents.

19.0 SUBDIVIDING LAND

- 19.1 Except as otherwise provided for in this by-law, no parcel of land should hereafter be divided into sites unless each resultant site conforms to the requirements of this by-law. Also, parcels shall not be subdivided if the proposed subdivision does not conform to the *Rural Municipality of Ste. Anne Development Plan*.

PART IV - GENERAL PROVISIONS

REGULATIONS OF USE

The general provisions shall apply to all Zones listed herein unless otherwise specifically stated.

1.0 GENERAL REGULATIONS OF USE

- 1.1 With the exception of **Section 15.3** of **PART III** of this By-law, no land, building or structure shall be constructed, enlarged, placed, used or occupied except for a use that:
- a. Is listed in the *Zone* as:
 - i. A permitted use; or

2.0 SIGN REGULATIONS - GENERAL

- 2.1 The regulations of this section are intended and designed to establish a minimum control of signs. Such control is deemed essential to promote the health, safety, and general welfare by reducing hazards to pedestrian and vehicular traffic, and by preventing unsightly and detrimental development having a blighting influence upon residential, business and industrial uses. The following shall apply in all *Zones*, except wherein otherwise stated:
- a. No sign or sign structure shall be erected at any location where it may interfere with, obstruct the view of, or be confused with any authorized traffic sign, signal or device.
 - b. No sign or sign structure shall be located in such a manner as to materially impede the view of any street or highway intersection, or in such a manner as to materially impede the view of the intersection of a street or highway with a rail road grade crossing.
 - c. No rotating beam or beam shall be used in connection with any sign display; nor shall any flashing illumination resembling an emergency light be used for such purpose.
 - d. No flashing signs shall be permitted in any *zone* without the approval of the Council. In any event, no flashing sign shall be permitted within one hundred (**100**) feet of any residential related *Zone* or Provincial Roads or Provincial Trunk Highways.
 - e. The placing of advertising, business or identification signs within the control lines and circles of a Provincial Road or Provincial Trunk Highway shall require a permit from the appropriate authority.

Any sign that complies to the above will be permitted.

EXCAVATION STRIPPING AND GRADING

- 2.2 For the purpose of this Section of the By-law, excavation shall mean excavation for commercial purposes.
- 2.3 A person wishing to excavate, strip or grade land:
- a. Requires the prior approval of Council and a Development Permit;
 - b. May be required to provide Council with information as necessary to evaluate the proposal and may impose such conditions and requirements as it deems appropriate and necessary; and
 - c. If necessary, has obtained any required permits from the appropriate government departments.

3.0 TEMPORARY BUILDINGS AND USES

TEMPORARY BUILDINGS / USES GENERAL PROVISIONS

- 3.1 The provisions of this Section shall apply to all *Zones*.

TEMPORARY USES

- 3.2 Notwithstanding any provisions elsewhere contained in this By-law, the Council may permit, subject to such conditions as it may see fit to impose, and for a period of twelve (**12**) months which may be renewed before expiry subject to approval of Council, the temporary use of lands, buildings or structures not in conformity with the requirements of this By-law, if, in Council's opinion, the amenity

or sanitary conditions of property in the vicinity will not be adversely affected thereby. If the proposed use occurs within the control area of a Provincial Highway, the application will be referred to The Highway Traffic Board or the appropriate department in charge of transportation to establish additional requirements. The following shall apply (or as otherwise noted in the Bulk Requirement tables):

- a. Temporary buildings, structures and uses for construction materials or equipment, both incidental and necessary to construction on the same zoning site may be permitted on a temporary basis subject to the issuance of a Development Permit for both the principal building and the temporary use and subject to such additional requirements as Council may deem necessary from time to time;
- b. A Development Permit for a temporary building, structure, or use shall be subject to such terms and conditions as required by Council with fees as set out in the Fee Schedule;
- c. Each Development Permit issued for a temporary building, structure or use shall be valid for a period of not more than twelve (12) months and may not be renewed for more than three (3) successive periods at the same location;
- d. In all cases, temporary buildings and structures shall not exceed one thousand (1000) sq. ft. in area and one (1) storey or fifteen (15) feet in height; and:
 - i. May be used as office space for the contractor of developer;
 - ii. Shall not be used for human habitation, except as temporary accommodation for a caretaker or watchman; and
 - iii. Shall not be detrimental to the health, safety, convenience and general welfare.

4.0 YARD REQUIREMENTS

4.1 Except as herein provided, the following special provisions shall apply in all *Zones* to ensure adequate site and required yard requirements:

- a. Yards provided for a building or structure existing on the effective date of this By-Law or amendments thereto, shall not be reduced, if already less than the minimum requirements of this By-law;
- b. All yards and other open spaces required for any use shall be located on the same zoning site as the use;
- c. It shall be a continuing obligation of the owner to maintain the minimum required site area, yards and other open spaces required herein for any use as long as it remains in existence. Furthermore, the minimum required site area, yards and other open space allocated to a use as per requirements of this Zoning By-law shall not, by virtue of change of ownership, or for any other reason, be used to satisfy the yard, and other open space, or minimum site area requirements for any other use.
- d. The yard requirements shall be set forth in the **BULK TABLES** of each *Zone*.
- e. When a site is to be occupied for a permitted use without a building or structure, the yards shall be provided and maintained, except that the side yards shall not be required on a site which is used for horticultural purposes or for public recreational purposes;

5.0 BULK REGULATIONS

RETENTION OF BULK REGULATIONS

- 5.1 It shall be a continuing obligation of the owner to maintain the minimum site area, yards and other open spaces required herein for any use as long as it remains in existence. Furthermore, the minimum required site area, yards and other open spaces allocated to a use as per requirements of this By-law shall not by virtue of change of ownership, or for any other reason, be used to satisfy the required yard, other open space, or minimum site area requirements for any other use.

YARD EXCEPTIONS

- 5.2 Where sites shall be provided and maintained in accordance with the provisions of this **PART**, these shall be unobstructed from ground level to the sky, except as set forth in the **BULK TABLES** of the affected *Zones* and as follows:
- a. Eaves may project into any required front, side or rear yard, a distance of not more than three (3) ft., provided that in no case shall an eave project within three (3) ft. of a side site line. Chimneys may project into a required front, side or rear yard not more than three (3) ft., provided the width of such side yard is not reduced to less than three (3) ft.
 - b. Fire escapes may extend or project into any required front, side or rear yard not more than four (4) ft.
 - c. Open, unenclosed stairways or balconies above the first floor, not covered by a roof or canopy, may extend or project into a required rear yard not more than four (4) ft. and such balconies may extend into a required front yard not more than two and one-half (2 ½) ft.
 - d. Open, unenclosed porches, decks, or platforms, not covered by a roof or canopy, which do not extend above the level of the first floor of the building, may extend or project into any required front, side or rear yard.
 - e. Open work ornamental fences, uncovered walks, arbours, trellises, lighting fixtures, landscape architectural features or guard railing, for safety protection around depressed ramps, may be located in any required front, rear or side yard. An open work type railing may be installed or constructed on any balcony, stairway, porch, platform or landing place.
 - f. A fence or hedge shall be permitted in any required front yard. Fences, hedges and landscape architectural features placed in such a manner as to produce a fence effect, shall be permitted in all required yards of corner lots if maintained at a height of not more than two and one-half (2 1/2) feet in the front yard and at a height of not more than ten (10) feet in the rear and side yards.
 - g. Landscape features, such as trees, shrubs, flowers or plants shall be permitted in any required front, side or rear yard.
 - h. Name plates, signs, as permitted and regulated in this **PART**, or signs for lease or rental of the premises on which they are located as permitted in this **PART**, shall be allowed in any required front, side or rear yard.
 - i. Open work ornamental fences, hedges, landscape architectural features or guard rails shall not be located and maintained so as to preclude complete access at all times about a main building. Gates or other suitable openings at least two and one-half (2 ½) ft. in width shall be deemed adequate for such an access.

- j. For a main building, architectural features such as chimneys, bay windows, alcoves, canopies and awnings, eaves and eaves troughs may extend or project into a required side yard to a point not closer than two (2) feet to the side site line except when the side yard requirement is (0) feet in which case the projection by overhang by no more than (2) feet, and may extend or project into a required front yard or rear yard not more than five (5) feet;
- k. For an accessory building the architectural features as noted in (j) shall not encroach into an adjoining yard; and
- l. Open, unenclosed stairways or balconies, not covered by a roof or canopy, may project into a required rear yard or required front yard for a distance of not more than five (5) feet;

SPECIAL YARDS ALONG USE BOUNDARIES

5.3 The following special yard requirements shall apply along “**GD**” *General Development* and “**R**” *Residential Zone* boundaries:

- a. When a side site line in an **Industrial Use** abuts a side site line in an adjacent **Residential Use**, the required front yard requirements of the **Residential Use** shall extend for a distance of one hundred (100) feet into the **Industrial Use** and a required side yard of twenty-five (25) feet in width shall be provided along the side site line in the **Industrial Use**.
 - i. The required side yard provided shall not be used for accessory off-street loading, or storage of materials, or processing of any kind, except where a solid fence six (6) ft. high is provided and maintained along the site line abutting the **Residential Use** boundary; and
 - ii. Parking spaces with the required front yard shall not be permitted within ten (10) ft. of the said **Residential Use** boundary.
- b. Where a side site line in an **Industrial Zone** abuts a rear lot line in an adjacent **Residential Use**, a required side yard of twenty-five (25) ft. shall be provided in the **Industrial Use** along the rear site line.
- c. Where a rear site line in an **Industrial Use** abuts a side or rear site line in an adjacent **Residential Use**, a required rear yard of fifty (50) ft. in depth shall be provided along the rear site line.
- d. Where a boundary yard as described in paragraphs (a), (b), and (c) is provided, a compact hedge, row of shrubbery or a solid fence six (6) ft. in height shall be provided and maintained along the site line abutting the **Residential Use** boundary.

HEIGHT EXCEPTIONS

5.4 The provisions of the *Zones* shall not apply to limit the height of any ornamental dome, chimney, tower, electrical or telephone transmission line, television or radio mast, steeple, water storage tank, electrical apparatus or the mechanical operation of the building provided that no roof structure or any space above the height limit shall be permitted for the purpose of providing useable floor space.

MINERAL EXTRACTION OPERATIONS / QUARRY

5.5 a. A **Development Permit** shall be required for the establishment of a commercial pit or quarry operation, including peat, and shall include:

Rural Municipality of Ste. Anne
General Provisions

- i. In the case of **Crown** quarry minerals, proof of the issuance of a **Provincial Lease** or **Casual Permit** under **Manitoba Regulation 65/92 (Quarrying Minerals Regulations 65/92)**;
 - ii. A plan showing areas and means for disposing of overburden and routes for hauling the minerals;
 - iii. A site plan showing the precise plan of operation, the manner in which extraction or development will occur, the means of visual buffering, noise and dust protection and the intended use(s) of the site upon completion of the quarrying phase; and
 - iv. A plan for rehabilitation of the site when exhausted and where applicable, subject to **Manitoba Regulation 65/92**.
- (b) The **Council** shall, in considering such application, consult with the provincial **Mineral Resource Division**.

6.0 HOME OCCUPATIONS IN “A”, “AL”, “RM”, “NE”, “GD”, “R”, “RR”, “RR5” AND “RMH” ZONES

- 6.1 Home occupations shall be allowed in the **“A” Agriculture**, **“AL” Agricultural Limited**, **“RM” Rural Mixed** and **“NE” Natural Environment**, **“GD” General Development**, **“R” Residential General**, **“RR” Rural Residential**, **“RR5” Rural Residential 5** and **“RMH” Residential Mobile Home Zones** and will be subject to the following conditions:
- a. The principal use on the site shall be established as residential and be the permanent residence of the owner operator of the proposed use;
 - b. There shall be no generation of obnoxious or offensive noise or smell beyond the subject property boundaries; and
 - c. There shall be no generation of undue traffic and congestion in the neighborhood.
 - d. Home occupations generally include the following:
 - i. **Building trades:** cabinetry, carpentry, electrical, flooring, foundation, plumbing, roofing, stucco, tiling and masonry, overhead door installation.
 - ii. **Crafts:** small scale production and sale, dried and silk flower arrangements, handicrafts, jewelry, wooden crafts.
 - iii. **Food Services:** small scale production, Watkins sales and the like, vegetable, prepared food and produce sales, catering.
 - iv. **Professional:** employment agency, engineering consultant, income tax service, insurance brokerage, investment planning/marketing/sales, nutritional consultant, travel agency.
 - v. **Sales:** small scale inventory.

- vi. **Services:** janitorial services, therapeutic massage, carpet cleaning, office equipment repair, dental equipment repair.

Home occupations not complying with the requirements of **Sections 6.1 and 6.2** of this **PART** shall require conditional use approval

7.0 HOME INDUSTRY

- 7.1 In order that the business initiatives of the residents are not unreasonably discouraged, non offensive light manufacturing activities and small businesses may be permitted as a second use, in addition to the principal use in the **"A"** *Agriculture*, **"RM"** *Rural Mixed*, and **"NE"** *Natural Environment*. In order to accommodate the limited demand for such uses, these shall be subject to the following criteria:

- a. The principal use on the site shall be established as residential and be the permanent residence of the owner operator of the proposed use;
- b. The second use will not generate unacceptable amounts of noise, odour or traffic, create unsightly appearances or other disturbances that may be deemed unsuitable;
- c. The proposed use will not create a potential for conflict with activities that would normally occur in the specific *Zone*; and
- d. Exterior storage of products or materials to be limited to the rear yard and shielded from public view so as not to be visible from the road by a structure high enough to afford adequate screening, being a minimum of six (6) feet in height.

8.0 GARDEN SUITES

- 8.1 It is the intent of this section to provide standards and conditions for the placement of a detached, removable, self contained one family dwelling unit on the same site as the principal dwelling, for occupancy by an elderly parent(s) or other family member(s) requiring or providing care and assistance, subject to the following:

- a. Only property owners can apply for a garden suite. The property owners must reside in either of the two (2) domiciles – the principal residence or the applied for garden suite;
- b. Garden suites are only allowed as a conditional use in the **"A"** *Agriculture*, **"AL"** *Agricultural Limited*, **"RM"** *Rural Mixed*, **"RR"** *Rural Residential Zone*, **"RR5"** *Rural Residential 5 Zone* **"R"** *Residential General Zone* and **"NE"** *Natural Environment Zone*;
- c. Upon the cessation of the occupancy, one of the two (2) dwelling units shall be removed or the property owner shall effect a change to non-residential use for the second residence;
- d. Hydro and municipal services shall be connected to existing facilities upon approval of the affected authorities;
- e. The additional dwelling unit shall maintain a separation distance of ten (10) feet from the principal dwelling unit and be in compliance with front, side and rear yard requirements as set out in TABLE VI-4: RESIDENTIAL BULK REQUIREMENTS;
- f. A Development Agreement shall be entered into with the Rural Municipality of Ste. Anne;

- g. Either parent(s) or other family members will domicile this dwelling unit as long as their health permits. In the event of cessation, it will be incumbent upon the owner to inform the Rural Municipality of Ste. Anne in writing within thirty (30) days of one of the dwelling units becoming vacant. The owner will have a time period of twelve (12) months from the date of notification to either remove the structure or effect a non-residential change in use of the building in keeping with the requirements of this Section.

9.0 PROVINCIAL TRUNK HIGHWAYS AND PROVINCIAL ROADS

- 9.1 All development proposed adjacent to Provincial Trunk Highways and Provincial Roads shall comply with the regulations and controls stipulated in the Highways Department Act and other policies established by the Manitoba Infrastructure and Transportation.

10.0 NOXIOUS OR OFFENSIVE USES

- 10.1 Notwithstanding anything herein contained, no use that may be noxious or offensive by reason of the emission or production of odour, dust, refuse matter, wastes, vapour, smoke, gas, vibration or noise shall be permitted in any zone unless the use is permitted in the subject zone or measures satisfactory to Council are undertaken to mitigate or eliminate such effects.

SEPARATION DISTANCE REQUIREMENTS FOR THE ESTABLISHMENT OF ANHYDROUS AMMONIA STORAGE FACILITIES, GARBAGE DISPOSAL GROUNDS AND PUBLIC SEWAGE LAGOONS

- 10.2 a. Conditions of approval to establish **Anhydrous Ammonia Storage Facilities, Waste Disposal Grounds** and **Public Sewage Lagoons** must conform with the following **Manitoba Regulation 150/91** setbacks:
- i. Three thousand two hundred and eighty (3280) feet (1000m) from any body of water;
 - ii. One thousand three hundred and twelve (1312) feet (400m) from any cemetery;
 - iii. One thousand three hundred and twelve (1312) feet (400m) from any potable water well.
- Additionally, the following setbacks shall apply:
- b. **Anhydrous ammonia storage** should be located at least:
- i. Two thousand six hundred and twenty-five (2625) feet from residential areas, schools, hospitals or other institutions;
 - ii. Four hundred and ninety-two (492) feet from a single isolated residence;
 - iii. Four hundred and ninety-two (492) feet from the edge of the right of way of a highway.
- c. **Waste disposal grounds** should be located at least:
- i. One thousand three hundred and twelve (1312) feet from any dwelling;
 - ii. Three hundred and twenty-eight (328) feet from the nearest edge of the right of way of any public road.
- d. **Public sewage lagoons** should be located at least:

- i. One thousand five hundred (**1500**) feet from any centre of population;
- ii. One thousand (**1000**) feet from an individual residence.

STORAGE OF DERELICT VEHICLES, ETC

- 10.3 All derelict vehicles, machinery, major appliances and their parts, shall only be disposed of at the junk yards or approved waste disposal ground.
- a. There shall be no storage of substantial quantity of such derelict vehicles, machinery, major appliances and their parts in any farm sites within the ***Agricultural Zones***.
 - b. Where there is a storage of such derelict vehicles, machinery, major appliances and their parts in either a small quantity or as a **junk yard** or **recycling operation** allowed as a **conditional use**, a continuous compact hedge or row of evergreen trees or a fence of not less than six (**6**) feet in height shall be provided and maintained along the periphery of the storage area in a manner that conceals the stored materials from any public road or highway.

11.0 PRIVATE SWIMMING POOLS AND HOT TUBS

- 11.1 This section applies to private and semi-private swimming pools, hot tubs and similar structures when accessory to a residential use:
- a. Outdoor pools and hot tubs shall comply with yard requirements for accessory buildings and uses as set forth in the affected zone. In no case shall an outdoor pool or hot tub be located closer than five (**5**) feet to any side or rear site line;
 - b. All outdoor pools and hot tubs shall be completely enclosed with a fence or other suitable barrier constructed or erected in accordance with the following:
 - i. It shall have a minimum height of six (**6**) feet including gates, which shall be self-closing and equipped with a lockable latch to prevent unauthorized entry;
 - ii. There shall be no openings other than an entry to a building at a gate and it shall be so constructed as to prevent a child from crawling under either the fence or gate;
 - iii. Where a chain link fence is used, the outside surface of the enclosure shall be relatively smooth so as not to provide foot or toe holds; and
 - iv. The enclosure surrounding an outdoor pool shall be maintained in good repair.
 - c. Notwithstanding **section 11.(1)(a)** of this **PART**, open decks and open stairways associated with the outdoor pools or hot tubs may project to within two (**2**) ft. of any side or rear site line;
 - d. Semi-private pools, which are not located on the property of a single-family dwelling and used solely by the occupant of said dwelling or his guests, are subject to the regulations governing swimming pools under the Public Health Act.
 - e. Nothing in this Section shall relieve any such structure from complying with spatial, structural, electrical, plumbing, health and safety or separation requirements contained in regulations under The Building and Mobile Homes Act, Public Health Act or other applicable statutes.

12.0 ALTERNATE FORMS OF DEVELOPMENT

- 12.1 The intent of this section is to provide for alternate forms of land development including multiple uses of a site, multiple buildings or structures on a single site, bare land unit condominiums and similar uses which may not comply with the specific provisions of the Site Requirement Tables of this By-law. The design of such developments shall, however, produce an environment of stable and desirable character and shall incorporate at least the equivalent standards of amenity, parking and loading and other requirements and standards as applicable in this By-law.

CONDOMINIUMS

- 12.2 Condominium developments are characterized by individual ownership of dwelling or land units and common ownership of all other property including buildings and structures or parts thereof, open space, roadways, pathways and equipment held by the condominium corporation. Such development shall be considered in conjunction of any listed use in any *Zone*, in which a condominium is included in the relevant use table, and require the approval of a conditional use order and shall be regulated by the following provisions:
- a. In bare land unit condominium developments:
 - i. Each “**bare land unit**” as defined in *The Condominium Act*, which is delineated by horizontal land boundaries, shall be considered a “site” as defined herein for the purposes of determining site area and width, yards and other requirements;
 - ii. “**Common elements**” as defined in the said *Act*, which will be ordinarily used for the passage of vehicles or pedestrians including roads, road allowances, streets and lane but not including pedestrian walkways or off-street vehicle parking, shall be considered:
 - a. A “**street**” as defined herein where such thoroughfare is over thirty-three (33) feet in width;
 - b. A “**lane**” as defined herein where such thoroughfare is not over thirty-three (33) feet in width; and
 - c. The provisions of the Zone Bulk Table for the *Zone* in which the development is to be located and all other regulations and requirements of this By-law shall apply.
 - b. In condominium developments where the individual dwelling units within a building form the condominium units, the development shall be considered as a multi-family dwelling. These shall be considered as dwelling units within a multi-family dwelling (apartment block or townhouse) for the purposes of this By-law, and the building containing the condominium units shall be considered a multi-family dwelling for the purposes of site, yard, height, etc. requirements.
 - c. Condominium developments which propose a mixture of different land uses, or which do not conform to the requirements of this By-law may be deemed by Council, a Planned Unit Development and shall be subject to **section 12.3** below.

PLANNED UNIT DEVELOPMENTS

- 12.3 A Planned Unit Development is primarily a major land development project which, because of its size or complexity, high density, mixture of land uses or other unusual characteristics, is planned as a single entity in accordance with an overall site plan. There are many possible innovative projects with Planned Unit Development, including but not limited to the following:

- a. Comprehensive redevelopment – mixed use projects in urban areas;
- b. Higher quality townhouse and apartment projects characterized by diverse designs and more public and private amenity space;
- c. More interesting subdivision layouts characterized by an open space nature, clustered developments, preservation of natural features, separation of pedestrian and vehicular systems, staggered setbacks, diverse housing types and models and reduced amount of land devoted to streets and public works;
- d. Shopping centres and industrial developments with a greater amount of landscaping and parking, less open storage and building designs which are more compatible with adjacent uses and more visually appealing.

12.4 Planned Unit Developments may be considered in any *Zone*, in which a planned unit development is identified in the relevant use table, and shall be conditional uses within these zones and shall be regulated by the following provisions:

- a. The Use and Site Requirement Tables of each specific *Zone* shall not directly apply to Planned Unit Developments. The design, however, shall produce an environment of stable and desirable character and shall incorporate at least equivalent standards of amenity, open spaces, building separation, parking and other requirements and provisions of this By-law;
- b. An application for the establishment of a Planned Unit Development shall be accompanied by the following information:
 - i. Information / plans normally required for the issuance of a development permit; and
 - ii. Such additional information as Council may consider necessary for the review of the proposal, including detailed plans, contour information, drainage and Building Location Certificates, etc.
- c. A Planned Unit Development may contain two or more principal buildings subject to the following criteria:
 - i. The minimum site area for a Planned Unit Development shall be one (1) acre, if serviced with municipal sewer, and two (2) acres, or as otherwise required by the approving authority, if serviced by an on-site wastewater management system;
 - ii. Side, front and rear yards equal to the requirements of the *Zone* in which the Planned Unit Development is located shall be maintained;
 - iii. In no case shall buildings be closer to each other than the sum of the required yards for adjoining walls; and
 - iv. The density of development shall not be increased by greater than ten percent (10%) of the normal density permitted in that *Zone*.

13.0 **OTHER PROVISIONS**

SUBDIVISION OF ATTACHED DWELLINGS

- 13.1 A lot with a two-family dwelling located in the "**GD**" *General Development* and "**R**" *Residential General Zones* may be split into two or more lots provided the following regulations are complied with:
- a. Any new lot line shall be a straight line between the front and rear lot lines, located in such a manner that the party wall of two adjacent units shall form part of the new lot line. Where the new lot line is unable to form a straight line due to the irregular shape of the lot, the location of that new lot shall be determined by the conditions of any subdivision approval and verified by a Manitoba Land Surveyor.
 - b. Each lot created shall have frontage on a street, lane or right-of-way, except in the case of a bare land condominium unit development (**see also section 12.2 of this PART**), where the common elements as defined in the *Condominium Act* that contain roads shall be deemed to be a street for the purpose of this section.
 - i. For the purposes of interpreting the requirements of the appropriate Zones, individual bare land condominium units shall be deemed a site for the purposes of interpreting zoning by-law requirements, including party wall developments;
 - c. The permitted use for each lot created shall be for one attached single-family dwelling unit only; and
 - d. All applicable provisions of the Rural Municipality of Ste. Anne Building By-Law shall be complied with.
- 13.2 Notwithstanding the minimum requirements of the applicable *Zone*, any parcel created pursuant to this Section shall have a minimum site area of two thousand (**2,000**) sq. ft. and a minimum site width of twenty (**20**) feet for a dwelling serviced with municipal sewer and a minimum site area of two (**2**) acres and a minimum site width of two hundred (**200**) feet for dwellings serviced with an approved on-site wastewater management system. No side yard is required along a party wall.
- a. Each lot created shall provide not less than one (**1**) parking space to be located in the side or rear yard and having access directly to either a public lane, street or right-of-way. Where, due to space or access limitations, the required parking spaces cannot be located in the side or rear yard, Council may approve parking spaces in the front yard and may establish conditions for such parking spaces; and
 - b. All applicable provisions of the Rural Municipality of Ste. Anne Building By-law shall be complied with.

DEVELOPMENT APPLICATION FOR MULTIPLE-FAMILY RESIDENTIAL

- 13.3 A development application for multiple- family dwellings in the "**GD**" *General Development* and "**R**" *Residential General Zones*, may be required to be accompanied by plans drawn to scale showing the following:
- a. The exact shape and dimensions of the zoning site to be built upon, verified by a surveyor's certificate, prepared by a Manitoba Land Surveyor, indicating the location of any existing structures, and where there is an existing structure on the adjoining site, the location of the nearest wall of said structure;
 - b. A site plan indicating the proposed building or buildings to be erected or altered;
 - c. The intended use of each building or part thereof, the number of stories and gross floor area;

- d. The location of entrance and loading points to existing and proposed structures;
- e. The location of all curb cuts, driveways, parking areas, and loading areas, and the method of illumination;
- f. The location and type of landscaping, walls, fences and screening;
- g. Typical floor plans and elevations of proposed buildings and structures;
- h. The number of dwelling units that a building is designed to accommodate;
- i. The location of all outside facilities for waste disposal, and the location of fire hydrants;
- j. All pedestrian walks, malls and open areas for use by tenants or the public;
- k. The location, size, height and orientation of all signs other than flat signs on building facades;
- l. The type of ground surfacing to be used at various locations; and
- m. The method of sewer and water servicing.

MOBILE HOME PARKS

MOBILE HOMES IN MOBILE HOME PARKS

- 13.4 A **Mobile Home Park** shall require a **development permit** and shall be located only in the "**RMH**" *Residential Mobile Home Zone*. Its design shall be approved by the **Council**, subject to the following conditions:
- a. all mobile home sites within a mobile home park shall comply with site requirements as listed for mobile homes in an "**RMH**" **Zone** in **TABLE VII – 4: RESIDENTIAL BULK TABLE**.
 - b. A mobile home space in a mobile home park shall be provided with the following services:
 - i. an electrical services outlet; and
 - ii. an adequate base support for the mobile home;
 - c. A buffer area at least twenty-five (**25**) feet wide shall be provided within and adjacent to the perimeter of the mobile home park property boundary; and
 - i. A buffer area shall be developed as an area suitably landscaped with trees, shrubs, grass or other horticultural features acceptable to **Council**;
 - ii. A buffer area may be crossed by an access right-of-way; and
 - iii. A buffer area shall not contain a use other than permitted by paragraphs (i.) and (ii.) above.
 - d. A mobile home park shall be maintained in a satisfactory and safe condition by the owner or his agent. Maintenance shall include, but not be limited to, cutting of grass, removal of weeds and removal of refuse in all areas of the mobile home park.
 - e. A mobile home park shall contain a common recreational area as follows:

- i. The common recreational area shall be a minimum of five percent (5%) of the mobile home park area;
 - ii. The common recreational area shall not include the buffer area as provided in **Clause (b)** of this subsection; and
 - iii. The common recreational area shall be bordered by a fence or hedge where it abuts any part of the internal roadway system.
- f. A mobile home park shall have provisions for the disposal of sewage in the form acceptable to the appropriate government department.

WIND FARMS

- 14.1 Site requirements for wind farms will be established as part of a conditional use. Application for such uses will be supported by appropriate engineering studies that will address required setbacks, the density and other items as may be required by Council

CAMPGROUND

- 15.1 ~~Accommodations in camp grounds shall be from May 1st to October 31st of each calendar year.~~

[B/L 09-2014]

RAIL CAR STORAGE CONTAINER

- 16.1 Notwithstanding the other regulations of this By-law the following provision shall apply to rail car storage containers:
- a. Shall only be used for accessory storage;
 - b. Shall only be located to the side or the rear yard provided that it is:
 - i. screened from view from any public street and abutting properties;
 - ii. Complies with the site setback requirements of the zone;
 - iii. Not located in any required yard;
 - iv. Not located in any required parking areas or landscape buffer.
 - c. The maximum number of shipping containers on any property shall be limited to one;
 - d. Notwithstanding the above, a rail car storage container may be permitted for temporary storage on construction sites in accordance with Section 3.2 of this part.

PART V - SPECIAL PROVISIONS

Without limiting the generality of **PART IV - GENERAL PROVISIONS** of this **By-Law**, this section includes special provisions with respect to development along watercourses and for livestock operation development. **Council** shall have due regard to the following special provisions when approving applications for any development that may be relevant to the following subject matters:

1.0 DEVELOPMENT ADJACENT TO THE SEINE RIVER, SEINE RIVER DIVERSION AND WATERCOURSES FEEDING INTO THESE WATERWAYS

- 1.1 Riverbank lands along the **Seine River, Seine River diversion** and **watercourses** feeding into the Seine River and diversion shall generally be preserved in their natural state. In general, little or no development shall take place in the riverbank lands.
- a. When approving new subdivisions adjacent to the **Seine River, Seine River diversion** and **watercourses** feeding into the Seine River and diversion, **Council** may require a right of way agreement to provide access for future watercourse and bank maintenance;
 - b. Clearing of trees and the removal of natural vegetation shall not occur within two hundred (**200**) feet of the riverbank lands from the normal high water mark of the **Seine River**. Normal maintenance of treed areas, including the removal of deadfall, is excepted,
 - c. No permanent building or structure greater than one hundred (**100**) square feet shall be constructed or located within a horizontal distance of at least ten (**10**) times the height of the bank above the channel grade or two hundred (**200**) feet from the high water mark, whichever is the greater, of the **Seine River** unless an engineering investigation indicates that the distance may be reduced. Bank stabilization works with approval from **Council** are excepted from this provision;
 - d. The minimum setback requirement for the **Seine River** for lagoons, waste disposal grounds and other similar uses or activities which may have the effect of polluting the water or causing bank erosion shall be determined by **Council** based upon appropriate Provincial Regulations and upon recommendations from the **appropriate** Department of the **Province of Manitoba**;
 - e. Where the development or the use of riverbank lands may have a detrimental effect on water quality or could alter, obstruct or increase flood velocities or stages of the **Seine River**, **Council** may reject or approve certain conditions recommended by the appropriate **Department** of the **Province of Manitoba**; and
 - f. Activities such as dumping, excavation, cultivation or excessive grazing at the riverbank lands, which will accelerate or promote dangerous erosion or bank instability, shall be prohibited.

DEVELOPMENT ADJACENT TO WASTE DISPOSAL GROUND, LAGOON, ETC.

- 1.2
- a. No dwellings, mobile homes or other habitable buildings shall be constructed or located within one thousand three hundred and twelve (**1312**) feet of the **Ste. Anne Waste Disposal Ground** or any active or abandoned waste disposal grounds;
 - b. In the case of an abandoned waste disposal ground, development may be permitted if it can be demonstrated by a geotechnical specialist that there will be no unacceptable risks presented by the migration of methane gas or other unfavorable subsoil conditions.

Council shall base its decision upon recommendation by the appropriate **Department** of the **Province of Manitoba**;

- c. No dwellings, mobile homes or other habitable buildings shall be constructed or located within one thousand (**1000**) feet of any sewage treatment plant or lagoon; and
- d. New sites containing waste disposal grounds, sewage treatment plants or lagoons shall not be located within one thousand three hundred and twelve (**1312**) feet of an existing isolated dwelling; or within one thousand five hundred (**1500**) feet of any existing residential / settlement centre areas designated in the ***R.M. of Ste. Anne Development Plan***, schools, hospitals and churches.

HAZARDOUS AND UNSUITABLE LANDS (INCLUDING LANDS SUBJECT TO FLOODING) FOR DEVELOPMENT

GENERAL REGULATIONS

- 1.3 Any area which has been identified either by **Council** or upon recommendation by the appropriate **Department** of the **Province of Manitoba** as subject to erosion, bank instability, landslide, flooding or subsidence shall only be used for open space or agricultural cropping. Any other type of development shall not be permitted until it is proven, to the satisfaction of **Council**, that the use is compatible with the risk or the hazard has been eliminated. **Council** may require an impact study before making a decision.
- a. In areas where the specific hazard has not been defined, permanent buildings or structures, including accessory buildings, shall be set back from all waterways a distance of at least ten (**10**) times the height of the bank above channel grade or two hundred (**200**) feet from the high water mark, whichever is the greater, unless an engineering investigation shows that these limits may be reduced;
 - b. No building or structure shall be erected after the effective date of this **By-Law**, or amendments thereto, on any land which may be subject to flooding unless the following can be provided:
 - i. Evidence satisfactory to **Council** that the land is not subject to flooding;
 - ii. Approval from the **Council** that public facilities and services can be provided and landfill may be carried on if required for development; and
 - iii. Recommendations from the appropriate **Department** of the **Province of Manitoba**.
 - c. In no case shall a dwelling, mobile home or other habitable building be permitted in an area subject to flooding, unless some special provisions or arrangements with regard to the site or the type or design of building to be erected are made and then only if, in the opinion of **Council**, if it is suitable to the circumstances.

DEVELOPMENT IN THE VICINITY OF TRANS CANADA PIPELINES

- 1.4 Development proposals within the vicinity of a compressor station or within thirty-five (**35**) feet of a pipeline right-of-way shall not be allowed without the prior referral to Trans Canada Pipelines.

LIVESTOCK OPERATIONS

- 1.5 a. The establishment of new livestock operations, after the date of the adoption of this by-law, must adhere to setbacks identified in Table VI-6 of Part VI and to the site requirements for the respective Zone in which the land is located. As per policy 5.5.12 of the RM of Ste. Anne Development Plan no new livestock operations shall not establish within 1000 feet of the Urban Buffer Line. (These setbacks are mutually applied to new residences wishing to establish in proximity to a livestock operation.) Council may consider variations to these requirements based on unique circumstances of an individual application and *where permitted by The Planning Act*.
- b. Expansions to existing livestock operations, that were a minimum of ten (10) a.u. prior to the establishment of this by-law, must meet setbacks identified in Table VI-6 of Part IV and to the site requirements for the respective Zone in which the land is located. Council may consider variations to these requirements based on unique circumstances of an individual application and *where permitted by The Planning Act*.
- c. In addition to setbacks identified in Table VI-6 and Table VI-8, all new animal housing structures must be setback a minimum of one thousand (**1000**) feet from the Seine River, as is shown on Zoning Map.

RETAIL AND SERVICES – RESTRICTED

- 1.6 a. “Retail and Services – Restricted” stores shall not be established within 304.0 m (1000 ft) of the property line of a school, public daycare, residence for vulnerable population (such as an institutional residence or half-way home) or recreation facility (indoor or outdoor).
- b. “Retail and Services – Restricted” stores may be established as a Conditional Use within the General Commercial “GC” and Highway Commercial “HC” Zones.
- c. That a copy of the Public Notice of Hearing be sent to every owner of property located within a 304.0 m (1000 ft) radius of the affected property as well as all other requirements under *The Planning Act*. [**B/L 09-2020**].

PART VI - ZONES

1.0 ZONING

1.1 In order to carry out the intent and purpose set forth in **section 2** of **PART I**, the following zones are hereby established:

a. **Urban / Residential Zones:**

i. **"GD" General Development Zone** (see TABLES VI-1 & VI-2)

"GD" General Development Zone provides areas for a mixture of residential, commercial and industrial uses in the settlement centres of Greenland, La Coulee, and Giroux. Residential uses such as low density, single family dwellings and multiple family dwellings will be considered as well as a variety commercial and inoffensive industrial uses.

ii. **"R" Residential General Zone** (see TABLES VI-3 & VI-4)

"R" Residential General Zone provides areas for residential uses in Richer only.

ii. **"RR" Rural Residential Zone** (see TABLES VI-3 & VI-4)

"RR" Rural Residential Zone provides areas for non farm residential development utilizing on-site sewer and water services.

iii. **"RR5" Rural Residential 5 Zone** (see TABLES VI-3 & VI-4)

"RR5" Rural Residential 5 Zone provides areas for residential development on minimum sites of at least 5 acres that utilize on-site sewer and water services.

iv. **"RMH" Residential Mobile Home Zone** (see TABLES VI-3 & VI-4)

"RMH" Residential Mobile Home Zone provides areas for the placement of mobile homes within a mobile home park or a mobile home subdivision which is serviced by a central sewage system, holding tanks or other approved system.

b. **Rural Zones:**

i. **"A" Agriculture Zone** (see TABLES VI-5, VI-6 & VI-8)

"A" Agriculture Zone provides for a wide range of agricultural activities on large parcels of land in a fairly unrestricted manner. Special and intensive agricultural uses may be allowed on smaller parcels of land.

ii. **"AL" Agricultural Limited Zone** (see TABLES VI-5 & VI-8)

"AL" Agricultural Limited Zone provides for limited agricultural uses within the urban areas (LUD of Richer) which may be developed for future urban uses.

iii. **"RM" Rural Mixed Zone** (see TABLES VI-5 & VI-8)

"**RM**" *Rural Mixed Zone* provides for the accommodation and regulation of certain agricultural activities in areas where general agricultural activities such as livestock production operations are restricted due to the presence of smaller, non farm residential holdings, recreational areas and areas of poor capability agricultural soils. Hobby farms and home industries may be allowed in this *Zone*.

iv. **"NE" Natural Environment Zone (see TABLE VI-9)**

"**NE**" *Natural Environment Zone* provides for the protection of those lands that hazardous and unsuitable for development which are subject to flooding, erosion, landslide or subsidence, or being low-lying unstable or otherwise unsuitable or hazardous for general development by virtue of their soils, topography or other unique conditions. Only non-intensive type uses and some dwellings, on the basis of hobby farm development, may be allowed.

c. **Rural / Urban Industrial/ Commercial Zones:**

i. **"CR" Commercial Recreation Zone (see TABLES VI-10 & VI-11)**

"**CR**" *Commercial Recreation Zone* provides for a wide range of commercial recreational resort uses, including transient accommodation and related retail uses in the municipality.

ii. **"GC" General Commercial Zone (see TABLES VI-12 & VI-13)**

"**GC**" *General Commercial Zone* provides for multi functional commercial uses such as retail and personal service, social and cultural land uses within the municipality.

iii. **"HC" Highway Commercial Zone (see TABLES VI-12 & VI-13)**

"**HC**" *Highway Commercial Zone* provides areas for those commercial and related uses requiring large site areas and appropriately located on major roadways to provide commercial services to travelers and residents of the municipality.

iv. **"RIC" Rural Industrial Commercial Zone (see TABLES VI-14 & VI-15)**

"**RIC**" *Rural Industrial Commercial Zone* provides areas for those commercial and industrial uses requiring large site areas in both rural and urban areas. Such uses are provided for in rural areas under policy 5.1.2.3 of the Rural Municipality of Ste. Anne Development Plan

ZONING MAP

- 2.1 The location and the boundaries of the zones listed in **Section 1** of this part are shown upon a Zoning Map attached hereto, marked as **APPENDIX "A"** to this By-law. All notations, references and other information shown therein, together with any amendments made by amending By-laws from time to time and shown therein, together with any amendments to boundaries in the case of any street, lane or public utility right-of-way closing, as provided by *The Act*, shall be as much a part of this By-law as if the matters and information set forth by the said Zoning Map were fully described herein.

REGISTERED PLANS

- 2.2 All plan references on the Zoning Maps pertain to registered plans filed in the Winnipeg Land Titles Office.

3.0 ZONE BOUNDARIES

INTERPRETATION OF ZONE BOUNDARIES

- 3.1 In the interpretation of the boundaries of the Zones as shown on the Zoning Maps, the following rules shall apply:
- a. Notwithstanding that streets, lanes and public utility rights-of-way may be within *Zone* boundaries, the regulations contained in this By-law shall not be deemed to be applicable to said streets, lanes and public utility rights-of way;
 - b. Boundaries indicated as following the centre lines of streets, highways or lanes shall be construed to follow such centre lines or as otherwise indicated on a map;
 - c. Boundaries indicated as following site lines on a registered plan shall be construed as following such site lines;
 - d. Boundaries indicated as following the Rural Municipality of Ste. Anne limits shall be construed as following the Municipality's limits;
 - e. Boundaries indicated as following the centre line of railway lines or railway rights-of-way or public utility lines or rights-of way shall be construed to be midway between the main tracks or the centre of the right-of-way, or as otherwise shown on **APPENDIX "A"** attached hereto;
 - f. If a street or lane or Government Road Allowance shown on the Zoning Map is lawfully closed, the land formerly comprising the street or lane shall be included within the zone of the adjoining land. If the said street or lane was a zoning boundary between two or more different zones, the new zoning boundary may include the particular *Zone* as determined by Council.

4.0 USE AND BULK REQUIREMENT TABLES

- 4.1 a. Use tables show uses that are "**P**" **permitted** and "**C**" **conditional** for each respective *Zone*. Uses not listed are not allowed; and
- b. All bulk requirement table references are in **feet (ft)**, **square feet (sf)** and **acres (ac)**.
- 4.2 The provisions pertaining to this **PART** shall regulate:
- a. All structures erected hereafter;
 - b. All uses of land and structures established hereafter;
 - c. All structural alterations or relocations of existing structures occurring hereafter; and
 - d. All enlargement of, or additions to existing structures, or uses.
