Councillor Eros

WHEREAS Council has reviewed the revised Report to Council for Subdivision File #4175-17-7959 proposing the following on NE 9-8-8E in an area zoned Natural Environment:

1. To realign the common property boundary from east-west to north-south and to subdivide each of the resulting two approx. 60.00 acre parcels held under CT #'s 2868996 & 2868997 to create 2 additional hobby farm lots of approx. 5 acres from each parcel resulting in a total of 4 new 5 acre lots and 2 residual parcels at approx. 67.17 and 33.2 acres;
2. To create a 66-foot wide driveway connection between Proposed Lots 1 & 2 which would be opened as a public road should further development occur; and
3. To create a 1-foot public reserve strip along Road 40E to prevent accessing the newly created parcels from the undeveloped road allowance on the east side of the property;

BE IT RESOLVED that Subdivision File #4175-17-7959 be approved on the following conditions:

- a) That the applicant obtain a Legal Plan, as prescribed by the Community and Regional Planning Branch, to determine the site widths, site areas and location of all buildings and structures including on-site wastewater management system(s) on the affected land in relation to the proposed property lines;
 - b) That the applicant obtain any necessary variations;
- (cont'd on Page 6)

(cont'd from Page 5)

- c) That a Development Agreement be entered into between the Developer and the Municipality to ensure that vegetation cover on the proposed site is preserved as per Policy 5.3.2.2 of Development Plan #13-2007 as amended and to ensure that buildings on the proposed lots are placed in a manner so that future infill opportunities are protected;
- d) That the portion of Public Road 39E which encroaches onto Proposed Lot 1 be relocated to be wholly within the Municipal road allowance;
- e) That holding tanks will not be permitted on any of the proposed parcels;
- f) That a concept plan be developed illustrating the location of future development, including internal road networks, open spaces and any other applicable features;
- g) That all costs be borne by the Developer; and
- h) That a contribution fee of \$1,500.00 per parcel created be paid to the Municipality for municipal purposes.
